# Women's Annual Retreat

Saturday,  
February 10th

## Igniting our Spiritual Imagination

The Word of God, written in ancient times and in “strange” places, has unlimited power to reach us and transform us still. One of the best ways to continue becoming disciples, a life-long process, is to allow images, biblical images, to enter our hearts and minds more deeply. These images inform not only how we think about ourselves and about God, but how we act in the world in creative and compassionate ways.

### Who's Speaking

Cackie Upchurch taps into years of experience in Bible study and adult faith formation to share the life-giving message of Scripture. She serves as director of Little Rock Scripture Study, is the general editor of the *Little Rock Catholic Study*

*Bible*, an associate editor of *The Bible Today* and contributor to *Give Us This Day*. She is the author of three volumes of the *Alive in the Word* series: *Mary, Favored by God*; *Moses, Called and Equipped*; and *Hospitality: Welcoming the Stranger*.
