Men's Breakfast Group of St. Elizabeth Ann Seton Parish

The Purpose of the **MEN'S BREAKFAST GROUP** is to establish a regular occasion for men to gather together to pray, share personal life-changing stories of individual encounters with the spirit of God, and fellowship at a breakfast meal.

All participants will have an opportunity to hear and share faith stories, testimonies, and to pray together with other men for personal and intentional needs. They will share and learn the importance of Christian living, and help other men to become more involved in their Christian faith at home, at work, and in our city.

Leadership and programs will evolve from within the men's breakfast group and will perpetuate the desire to grow spiritually, and to individually become more attuned to the important needs of faith, parish, and Church.

The **MEN'S BREAKFAST GROUP** gathering will be scheduled every other week unless the group decides on a different schedule.
